1. Appointment and Nature of Relationship

The Owner appoints MPS Realty on a non-exclusive basis unless “Exclusive” is selected in Schedule B, to coordinate the day-to-day management of the Property. MPS Realty accepts the appointment as an independent service provider and not as a tenant, partner, co-owner, guarantor, trustee, legal representative, or employee of the Owner.

This Agreement does not transfer title, possession, or any ownership interest in the Property. MPS Realty may act only within the authority expressly granted under this Agreement or separately approved by the Owner in writing.

2. Term

The Agreement begins on ____ / ____ / 20____ and continues for _____ months (“Initial Term”). It will renew month-to-month after the Initial Term unless either Party gives written notice as stated in Clause 18.

3. Management Services

- Conduct periodic visual inspections at the frequency selected in Schedule B and share reasonable photo/video updates.
- Coordinate tenant enquiries, property visits, screening information, negotiations, move-in and move-out activities when authorised.
- Coordinate preparation, execution, renewal, and registration/notarisation of rental or lease documents through appropriate professionals, where required. MPS Realty does not provide legal advice.
- Send rent reminders, maintain a basic payment tracker, and follow up on ordinary tenant requests.
- Coordinate cleaning, plumbing, electrical, painting, pest-control, appliance, and other maintenance vendors approved under this Agreement.
- Record keys and available inventory handed over to MPS Realty and return them at termination, subject to pending authorised work.
- Coordinate association communication, meter readings, utility information, and access permissions based on information supplied by the Owner or tenant.
- Provide a periodic management summary at the frequency selected in Schedule B.

4. Excluded Services

Unless separately agreed in writing with a clear fee, MPS Realty is not responsible for structural engineering, title due diligence, legal representation, tax filing, statutory licensing, insurance placement, major construction, security guarding, society/association administration, eviction proceedings, litigation, or guaranteed recovery of rent or possession.

5. Owner's Representations and Responsibilities

- The Owner is legally entitled to appoint MPS Realty and has disclosed all co-owners, charges, disputes, court orders, notices, defects, restrictions, and association rules affecting the Property.
- The Property will be maintained in a lawful and reasonably safe condition, with working essential services and all approvals required for its intended use.
- The Owner will provide accurate ownership/KYC documents, tax and utility details, keys, inventory, appliance warranties, existing tenancy documents, and emergency contacts.
- The Owner remains responsible for property tax, association dues, insurance, statutory charges, loan obligations, capital repairs, and owner-borne expenses unless Schedule B states otherwise.

- The Owner will respond promptly to approvals and maintain sufficient funds for authorised expenses. Delays caused by unavailable approval or funds are not MPS Realty's responsibility.
- The Owner authorises MPS Realty to share necessary property and contact information with prospective tenants, occupants, associations, vendors, lawyers, accountants, and authorities only to perform the agreed services.

6. Tenant Sourcing, Screening, and Leasing

Any tenant profile, identity document, employment detail, reference, credit information, or background report obtained by MPS Realty is provided for the Owner's consideration and is not a warranty. Final tenant selection, permitted use, rent, deposit, lease term, and special conditions require the Owner's written approval.

The Owner shall sign the tenancy/lease agreement directly unless a valid written power of attorney expressly authorises another person. Leasing or brokerage charges are separate from the monthly management fee unless Schedule B expressly includes them.

7. Rent and Security Deposit

Rent should ordinarily be paid directly by the tenant to the Owner's designated bank account. If the Owner expressly authorises MPS Realty to collect any amount, MPS Realty will account for and remit cleared funds after deducting agreed fees and reimbursable expenses, normally within ____ business days. Bank delays, reversals, payment gateway failures, and tenant defaults are outside MPS Realty's control.

The tenant's security deposit shall be held by: ☐ Owner ☐ MPS Realty under separate written instructions. The Party holding the deposit is responsible for custody, permitted deductions, records, and refund according to the tenancy agreement and applicable law. MPS Realty shall not use client money for its own purposes.

8. Maintenance, Repairs, and Vendor Payments

MPS Realty may approve and coordinate any single non-emergency repair up to ₹_____ ("Approval Limit") without further approval, provided the expense is reasonably necessary for routine upkeep. Expenses above the Approval Limit require the Owner's written approval, except emergencies under Clause 9.

Vendor quotations are estimates and may change after inspection or opening concealed areas. Unless specifically stated, vendors are independent contractors and not employees of MPS Realty. MPS Realty will use reasonable care in selection and coordination but does not warrant vendor workmanship; available vendor warranties will be passed to the Owner.

The Owner shall fund approved work in advance or reimburse MPS Realty within ____ business days of receiving supporting details. MPS Realty may pause non-emergency work where funds are unavailable.

9. Emergency Authority

Where immediate action is reasonably needed to protect life, safety, the Property, neighbouring property, or essential services and the Owner cannot be reached after reasonable attempts, MPS Realty may arrange emergency work up to ₹_____ per incident. Where practicable, MPS

Realty will document the condition and inform the Owner promptly. This authority does not require MPS Realty to advance its own money.

10. Fees, Taxes, and Reimbursements

The Owner shall pay the fees selected in Schedule B. Applicable GST or other taxes, if legally chargeable, will be added to the invoice. Out-of-pocket expenses and third-party charges are payable separately where approved or permitted under this Agreement.

Undisputed invoices are payable within _____ days. Overdue amounts may carry interest at _____% per month, subject to applicable law. MPS Realty may suspend non-essential services after written notice if undisputed amounts remain unpaid.

11. Records and Communications

Approvals and notices may be exchanged through email or WhatsApp using the contacts in Schedule B, except termination and formal dispute notices, which should also be sent by email or registered post/courier. Each Party shall promptly report any change of contact details.

MPS Realty will keep reasonable service and transaction records for the Agreement term and for the period required by its ordinary business or legal obligations. The Owner may request copies relevant to the Property, subject to privacy and third-party restrictions.

12. Inspections and Access

Inspections are visual and non-technical. They do not replace structural, electrical, plumbing, pest, legal, environmental, or other specialist inspections. Entry will be coordinated with reasonable notice and subject to tenancy terms, association rules, safety, and emergencies.

13. Compliance and Lawful Use

The Owner and tenant remain responsible for lawful use of the Property and compliance with applicable laws, permissions, association rules, municipal requirements, taxes, fire and safety requirements, and licensing conditions. MPS Realty may refuse or stop any instruction it reasonably believes to be unlawful, unsafe, misleading, discriminatory, or outside this Agreement.

14. Insurance, Risk, and Force Majeure

The Owner is encouraged to maintain adequate building, contents, public-liability, and loss-of-rent insurance. MPS Realty is not an insurer and is not responsible for loss caused by fire, flood, cyclone, theft, trespass, tenant misconduct, hidden defects, utility failure, association action, government action, or other events beyond its reasonable control.

Neither Party is liable for delay or failure caused by events beyond reasonable control, provided the affected Party informs the other when reasonably possible and resumes performance when feasible. Payment obligations already due are not excused.

15. Indemnity

To the extent permitted by law, the Owner shall indemnify MPS Realty and its personnel against third-party claims, losses, penalties, and reasonable costs arising from the Owner's title, instructions, non-disclosure, breach, unlawful use, unsafe condition, or failure to meet owner obligations, except to the extent caused by MPS Realty's fraud, wilful misconduct, or gross negligence. MPS Realty shall

indemnify the Owner against third-party claims arising directly from MPS Realty's fraud, wilful misconduct, or gross negligence.

16. Limitation of Liability

MPS Realty does not guarantee uninterrupted occupancy, rent payment, tenant conduct, appreciation, yield, saleability, vendor performance, or the outcome of any legal or recovery process. To the extent permitted by law, MPS Realty's aggregate liability arising from this Agreement shall not exceed the management fees actually paid to MPS Realty during the six months immediately preceding the event giving rise to the claim. This limit does not apply to fraud, wilful misconduct, gross negligence, or liabilities that cannot lawfully be limited. Neither Party is liable for indirect or consequential loss.

17. Confidentiality and Data

Each Party shall protect non-public personal, financial, access, and property information received under this Agreement and use it only for the agreed services, legal compliance, or enforcement of rights. Disclosure may be made to authorised service providers and authorities on a need-to-know basis. Access devices and keys must be handled with reasonable care.

18. Termination and Handover

Either Party may terminate after the Initial Term by giving _____ days' written notice. During the Initial Term, either Party may terminate for a material breach not cured within 15 days after written notice, or immediately for fraud, illegality, serious safety risk, violence, or persistent non-payment.

On termination, the Owner shall pay all accrued fees, approved expenses, and committed third-party charges. MPS Realty will provide a reasonable final statement and hand over available keys, records, balances, and pending-work information within _____ business days after settlement of undisputed dues. Tenant agreements and vendor contracts do not automatically end merely because this Agreement ends.

19. Non-Circumvention of Introduced Transactions

If, during this Agreement or within six months after its termination, the Owner enters into a tenancy, lease, sale, or other transaction with a party first introduced by MPS Realty during the Agreement, the agreed brokerage or transaction fee in Schedule B remains payable, unless the Parties record a different arrangement in writing.

20. Dispute Resolution and Governing Law

The Parties will first attempt in good faith to resolve a dispute through written discussion within 15 days. If unresolved, the dispute shall be referred to a sole arbitrator mutually appointed by the Parties under the Arbitration and Conciliation Act, 1996, as amended. The seat and venue of arbitration shall be Chennai, Tamil Nadu; proceedings shall be in English; and the award shall be final and binding.

This Agreement is governed by the laws of India. Subject to the arbitration clause and applicable law, courts at Chennai shall have jurisdiction for interim relief, enforcement, and matters not capable of arbitration.

21. General Terms

This Agreement with its schedules is the entire agreement on property management and replaces prior discussions on that subject. Any change must be in writing and accepted by both Parties. If a provision is invalid, the remaining provisions continue. A delay in enforcing a right is not a waiver. Neither Party may assign this Agreement without written consent, except that MPS Realty may use employees and independent vendors to perform authorised services while remaining responsible for its own obligations. Counterparts and legally valid electronic signatures may be used.
